Even though Jeff was worried  
They weren't in a hurry  
They planned a lovely honeymoon  
Sue had a brand new Chevy  
Conservative, in good taste  
Only 30 payments due  
They had outstanding tickets  
They had no car insurance  
But they had lots of things to do  
They were getting organised  
They had their plans all finalised  
The date was set for Saturday

Susie and Jeffrey, they're gonna get married  
They're going for a blood test

What if I don't pass my blood test?  
What about our marriage licence?  
What if I can't be deprogrammed?  
Don't act like it's your last chance  
We could have fun at the Spahn Ranch.  
It's not like Gordon Avenue

Susie and Jeffrey, they're gonna get married  
They're going for a blood test

Jeffrey said "Let's wait"  
Sue took her foot off of the brake  
He drove into a wall

Don't get excited, now don't shout!  
I'll scratch your eyes out  
Now we can't have our honeymoon!"  
Don't touch she's my fiance!  
Say, but I like the way you play  
An autograph from Orson Welles

I'm a fan, here's my record  
It's one we can't get programmed  
We want to give to all of you  
They had a little argument  
Sue took her foot off of the brake

He drove the car into a wall  
They had a little argument  
Sue took her foot off of the brake  
He drove the car into a wall  
They had a disagreement  
Sue took her foot off of the brake  
He drove the car into a wall
