Compliments and condiments
Added to the rest
The sense of taste, delicious
Only on request

Say goodbye, sayonara, sugar
If you're so hot to go
Well, hit the road
Ciao, bello

Sweet and low, that's the way I like it
Sweet and low, that's the way I like it when you say my
name
Sweet and low, sweet chariot
Baby, won't you carry me, baby?
Won't you carry me home?

You count me out, scream and shout
Put me to the test
Sense of risk, synthetic
Only on request

Say goodbye, sayonara, sugar
If you're so hot to go
Well, you can hit the road
Ciao, bello

Sweet and low, that's the way I like it
Sweet and low, that's the way I like it when you say my
name
Sweet and low, baby, I can't fight it
Sweet and low, baby, I can't fight it when you say my
name

Sweet and low, sweet chariot
Baby, won't you carry me
Sweet and low, sweet chariot
Baby, won't you carry me, baby?
Won't you carry me home?

Time to fly, sayonara, sugar
If you're so hot to go

Well, you can hit the road
Ciao, bello

Sweet and low, that's the way I like it
Sweet and low, baby, I can't fight it when you say my
name
Sweet and low, make me feel delightful
Sweet and low, make me feel delightful
I'll make you feel the same

Say goodbye

Baby, won't you carry me home?
Baby, won't you carry me home?

Say bye, bye

Baby, won't you carry me home?
Sweet and low

Say goodbye

Baby, won't you carry me home?
Baby, won't you carry me?
