Teardrops.  
Teardrops.  
I sit in my room looking out at the rain.  
My tears are like crystals.  
They cover my windowpane.  
I was thinking of our lost romance and how it should  
have been.  
Oh, if we only could start over again.  
I know you'll never forgive me dear, for running out on  
you.  
I was wrong to take the chance with somebody new.  
I sit in my room looking out at the rain.  
My tears are like crystals.

They cover my windowpane.  
I know you'll never forgive me dear, for running out on  
you.  
Oh, how I long to do the things we used to do.  
I'm lonely and blue but I'll try to get along without you.  
Ah, ah, teardrops, teardrops.  
I had to gain faith, hope and charity.  
God only knows the boy who will love me.  
Oh, if we only could start over, again.
