Everyday brings change  
And the old world puts on a new face  
Certain things rearrange  
And this whole world seems like a new place

Secretly, I've been tailing you  
Like a fox that preys on a rabbit  
I had to get you and so I knew  
I had to learn your ways and habits

You were the catch that I was after  
I looked up and I was in your arms  
And I knew that I was captured

What's this whole world coming to?  
Things just ain't the same  
Anytime the hunter gets captured by the game  
Oh, yeah

I had laid such a tender trap  
Hoping you might fall into it  
Love hit me with a sudden slap  
One kiss and then I knew it

My plan didn't work out like I thought  
I had laid my trap for you  
But it seems that I got caught

What's this whole world coming to?  
Things just ain't the same  
Anytime the hunter gets captured by the game  
Oh yeah, yeah, yeah, oh yeah, oh yeah
