To start the following investigation

Find out what's the hidden power lying in the grooves

That drives em crazy all across the nation

They found the jam was moving

Go ahead now, go ahead now

It makes the people keep grooving

Go ahead now, go ahead now

The agent, who assigned Jim to investigate

When he came home he found to his amazement

He saw his own children live on Colt 45

And they were rocking popping in the basement

They found the jam was moving

Go ahead now, go ahead now

It makes the people keep grooving

Go ahead now, go ahead now

They found the jam was moving

Go ahead now, go ahead now

It makes the people keep grooving

Go ahead now, go ahead now

When the order came from the CIA

You better look out, and find out what's the hidden

power lying in the grooves

They're going crazy crazy crazy crazy all across the
nation

Agent said, "Found the jam was moving

Go ahead now, go ahead now

It makes the people keep grooving

Go ahead now"

The jam was moving

The people keep grooving
