Turning in the park, imagination in the dark.
Want to touch your magic part. (?)
I want to walk all night.

Drama in my heart.
Don't wanna take myself apart.
I don't know where to start.
I'm gonna walk all night.

I'm gonna turn that kid around.
I'm gonna bring you back bring you back.
No one, no one but me.

Here comes the king of steam.
Try to take you away from me.
He's gonna try paint me green.
Trust me.

There's a burning in my brain.
He comes like headlights in the rain.
And when the tears getting you warm and when you're
crying you're gonna walk all night. (?)

I'm gonna turn that kid around.
I'm gonna bring you back, bring you back.
No one, no one but me.
I gotta turn that kid around. turn that kid around.
I'm gonna bring you back, bring you back.
No one, no one but me.

No, you've got no one, no one but me.

Nobody.

I'm watching you walk away from me.
I'm watching you follow me.

Yield under pressure.

Stations on the way.
I'm burning stations in my brain.
He's just one more pencil brain. (?)

You wanna fly all night?
So come bring me back the beat.
I wanna walk right down your street.
For your love, it sends of heat so easy.
I'll cry all night.

I'm gonna turn that kid around.
I'm gonna bring you back, bring you back.
No one, no one but me.
No you've got no one, no one but me.
Nobody.

Nobody.
Nobody.
You've got no one.
Nobody.
