Oh ho, oh ho, what are we gonna do?
Union, Union, Union City blue

Tunnel to the other side
It becomes daylight
I say he's mine
Oh, power, passion plays a double hand
Union, Union, Union City man

Arrive, climb up four flights to the orange side
Rearrange my mind
In turquoise Union, Union, Union City blue
Skyline, passion, Union City blue

Power, passion plays a double hand
Union, Union, Union City man
I say he's mine, I have a plan
I say he's my Union City man

Oh ho, oh ho, what are we gonna do?
Union, Union, Union City blue
Oh ho, oh ho, what are we gonna do?
Union, Union, Union City blue
Oh ho, oh ho, what are we gonna do?
Union, Union
