You look good in blue  
It matches your skin  
Your eyes  
Dripping with pain

Someone like you  
Getting off on the lies  
'Cause it dulls  
Your surprise again

If it's alright with you  
I could give you some head  
And shoulders to lie on

You look good in blue  
I know what you mean  
When you say  
You've seen the end

Someone like you  
Been at it again  
You knew what was  
Up in the end

If it's alright with you  
I could give you some head  
And shoulders to lie on

Throw your weight on me, baby  
Don't complain on me, baby  
Escape in me, next to me

I'm tired, always tired  
And I got not place to sleep  
I don't mind dividing down the line

You can't say  
That I'm complaining  
'Cause I got no place to play, yeah  
I don't mind dividing down the line

You look good in blue

It matches your skin  
Your eyes  
Dripping with pain

If it's alright with you  
I could give you some head  
And shoulders to lie on  
Yes, I could give you some head  
And shoulders to lie on
