Money is to more money
Power to more power
Money is to more money
Power to more power
Money is to more money
Power to more power
Money is to more money
Power to more power
.. the highest hour
Money is to more money
Power to more power
Money is to more money
Power to more power
Feelings paranoia
Was very nice to know you
Floating the more flower
Money leads to more money
Money is to more money
Power to more power
The highest hour they spread like fire
.. gets higher his money make like meditation
He cannot resist temptation
Money money is his temptation
Money money is his destination
He pays in cash he can have whatever he wants
He takes the trash turn into gold
He pays in cash he can have whatever he wants
He takes the trash turn into gold
Money is to more money
Power to more power
Money is to more money
Power to more power
.. the highest hour
Money is to more money
Power to more power
Money is to more money
Power to more power
Feelings paranoia
Was very nice to know you
Money is to more money
Power to more power

Money is to more money
Power to more power
.. the highest hour
Money is to more money
Power to more power
Money is to more money
Power to more power
Feelings paranoia
Was very nice to know you
