What if I was to tell you
That I can see inside your head?
And what if I was to tell you
That in the end you'll end up dead?

What if I was to show you
Your future lies within my grasp?
And what if I was to show you
That I'm the one that owns your ass?

Taking time to do the crime
Do you see what I can see?
Are you here to cross the line?
Can you solve the mystery?
What if I covered your eyes?
Would you hear all I can hear?
And if you saw through all the lies
Would you fear all that I fear?

What if I decided to
Let you have total control?
Would you turn your back on me
And let my turmoil take its toll?
