I'm broken down
These fallen ashes
Broken pieces of me
Lay rotting on the ground

And so it feels like this world is coming to an end
My judgment perishes with every breath I take

You've done me in, you've done me good
But I'm gonna make you wish you'd finished it

No! These walls won't hold me back
These barriers won't keep me down
I will make it through

And so it feels like this world is coming to an end
And yet I feel a sense of simple comfort

Like a baby in the cradle
I know I can, I have the strength to carry on

Like a baby in the cradle
I know I can, I will make it through

The phoenix will rise
From these ashes
I will rise
From these ashes

I won't be broken down again.
