Music & lyrics by C. Mustaine

I was born in the fire of hell  
And I don't know what I am  
Around me there was a black, black sky  
And I don't know why I cried

I don't know why,  
I don't know why  
The devil want my soul,  
But this soul is mine  
But now I don't cry because the devil

Doesn't know,  
I am the evil and this is all

Fire in the sky, here I am  
See this evil come, on this earth  
The end is near, and death is here  
This world is in my hands

I am the evil!

I cannot die, I survive  
I rule the world and your mind
