A father, a husband  
An ordinary, decent guy  
Who enjoy to see girls suffer  
In pain as they die  
An active christian  
A respectable boy scout leader  
A family man  
And a sadistic death dealer

Bind Torture Kill  
B.T.K.  
Bind Torture Kill  
Death you'll pay!

He appear to be normal  
But inside he's ridden with demons  
Your agonizing death will make  
Dennis spill his semen  
President of the  
Lutherian Congregation  
Stalker, strangler  
Addicted to masturbation

Bind Torture Kill  
B.T.K.  
Bind Torture Kill  
Going all the way
