Fucking lacerated
Bludgeoned to a pulp
And baptized in piss
Savagely raped
With broken bottles
In every orifice

Useless human garbage
Repeatedly kicked in the head
Used as a fucking public toilet
Forever Dogfed

Introduce me to the end of life
Gimme perpetual rest
Existence is nothing but
Full out strife
Feel The Darkness!

Utter human failure
Worthless fucking shit
Kicked, beaten
Strangled and battered
Stepped on, chewed and spat out

Faen!!!

Miserable stinking wanker in-chief
Among wankers as such
Bankrupt on emotions
Rich on self disgust
A pig among champions
A slayer among hippies
A screaming bloody fucking mess
Well, life sure ain't pretty

Useless human garbage
Ripped to fucking shreds
Hacked to bits and pieces
Forever Dogfed
Slashed wide open
From groin to throat

From anus to neck
Crucified upside deown
Gushing guts
Dogfed!
