Swallow the body of your Lord, drink his sacred blood
You're a helpless lamb among wolves, offered to God
Horrendous interpretations, makes sense after 2000
years?

This is the true face of evil, the face of all of your
fears

Congregation of Christ
Blind faith
Read between the lies
God's not great

Nailed to a cross, on public display, hangs a skinny
hippie
Crowned with thorns and crucified in the holy city
Humiliated, in torment, sliced up under the sun
An extraordinary man indeed, but not God, nor God's
son

Congregation of Christ
Blind faith
Read between the lies
God's not great
The Father, the son
And The Holy Ghost
History's most successful hoax

The Cruel Leading The Fool

The holy script, the bloodstained bible, the hell
manifest
Bow and obey, worship the lord, this is the final test
Deceived by the greatest lie of all. You're misled,
mentally defeated
You fool! You sheep! Ever had the feeling you've been
cheated?

Congregation of Christ
Blind faith
Read between the lies
God's not great

The Father, the son
And The Holy Ghost
History's most successful hoax
