Ice cold and sanitized  
Take hold and realize  
Time passes gently  
If I am by your side  
Doctored intelligence  
Sheer luck or providence  
Prudence, be silent now

Well I'll be damned  
I'm in high demand  
Care to be a hero?  
Part of high command?

Sweet dreams of madness  
Oh-no Cydonia  
Letting the inside out  
Sweet dreams of madness share  
Life at the Parthenon  
Lady of Athens  
Letting the inside out

I sense this senselessness  
Counting the countless  
Doctoring restlessness  
Until I own your heart  
Life holds the answer  
I can and shall provide  
Real life experience  
Come time to play your part

Well I'll be damned  
I'm in high demand  
Care to be a hero?  
Part of high command?

Sweet dreams of madness  
Oh-no! Cydonia  
Letting the inside out  
Sweet dreams of madness  
Life at the Parthenon  
Lady of Athens  
Letting the inside outside

Inside out

Play this well  
See what you're dealt  
Ain't what you've got  
You should know by now

One step out of line with me  
Gets you a one way ticket on the Ferris wheel  
Knowing who you are  
Seeing what you were  
Not becoming what you wanna be
