Here are the 10 coolest things about New Jersey
Hit it boys, get away from me, can't you see
I'm just losing you, aren't you just on your own?

The new things
10, shit, 9, fuck, 8, cunt and 7, 6, 5, 4, 3, 2, 1, bitches
Almost the end of the song
Go, go, go, go crash bitches hell you made us stop

The song let's start again up, down the Jersey
continues
Still alone, off the bar, locked in a cage alone in the 10
10
(10 10)
Coolest things about New Jersey that's all goodbye
