I was lonelier than Kunta Kinte at a Merle Haggard concert that night I strolled on into Uncle Limpy's Hump Palace lookin' for love. It had been awhile. In fact, three hundred and sixty-five had come and went since that midnight run haulin' hog to Shakey Town on I-10. I had picked up this hitchhiker that was sweatin' gallons through a pair of Daisy Duke cut-offs and one of those Fruit Of The Loom tank-tops. Well, that night I lost myself to ruby red lips, milky white skin and baby blue eyes. Name was Russell.

Yes a lap dance is so much better when the stripper is cryin'
Yes a lap dance is so much better when the stripper is cryin'
Well I find it's quite a thrill
When she grinds me against her will
Yes a lap dance is so much better when the stripper is cryin'

Well, faster than you can say, "shallow grave", this pretty little thing come up to me and starts kneadin' my balls like hard-boiled eggs in a tube sock. Said her name was Bambi and I said, "Well that's a coincidence darlin', 'cause I was just thinkin' about skinnin' you like a deer." Well she smiled, had about as much teeth as a Jack-O-Lantern, and I went on to tell her how I would wear her face like a mask as I do my little kooky dance. And then she told me to shush. I guess she could sense my desperation. 'Course, it's hard to hide a hard-on when you're dressed like Minnie Pearl.

So, Bambi's goin' on about how she can make all my fantasies come true. So I says, "Even this one I have where Jesus Christ is jackhammering Mickey Mouse in the doo-doo hole with a lawn dart as Garth Brooks gives birth to something resembling a cheddar cheese log with almonds on Santa Claus's tummy-tum?" Well, ten beers, twenty minutes and thirty dollars later I'm parkin'

the beef bus in tuna town if you know what I mean.
Gotto nail her back at her trailer. Heh. That rhymes. I
have to admit it was even more of a turn-on
when I found out she was doin' me to buy babyformula.
Yes a lap dance is so much better when the stripper is
cryin'Yes a lap dance is so much better when the

Day or so had passed when I popped the clutch, gave
the tranny a spin and slid on into The
Stinky Pinky Gulp N' Guzzle Big Rig Snooze-A-
Stop.There I was browsin' through the latest issue of
"Throb", when I saw Bambi starin' at me from
the back of a milk carton. Well, my heart just
dropped.So, I decided to do what any good Christian
would. You can not imagine how difficult it is to
hold a half gallon of moo juice and polish theone-eyed
gopher when your doin' seventy-five in an eighteen-
wheeler. I never thought missing
children could be so sexy. Did I say that out loud?
Yes a lap dance is so much better when the stripper is
cryin'Yes a lap dance is so much better when the
stripper is cryin'Well I find it's quite a thrillWhen she
grinds me against her willYes a lap dance is so much
better when the stripper is cryin'
