Haha

Well now we call this the act of mating but...

There are several other very important differences
Between human beings and animals you should know
about

I'd appreciate your input.

Sweat baby sweat baby

Sex is a Texas drought me and you do the kind of stuff
that only prince would sing about
So put your hands down my pants and I bet you'll feel
nuts

Yes I'm Sisco, Yes I'm Ebert and you're getting two
thumbs up

You've had enough of two hand touch
You want it rough you're out of bounds
I want you smothered want you covered
Like my waffle house hash browns
Coming quicker then fed ex
Never reach an apex

Just like coca-cola stock
You are inclined to make me rise an hour early
Just like day light savings time

(Chorus)

Do it now

You and me baby ain't nothing but mammals
So let's do it like they do on the discovery channel
Do it again now

You and me baby ain't nothing but mammals
So let's do it like they do on the discovery channel
Getting horny now

Love, the kind you clean up with a mop and bucket
Like the lost catacombs of Egypt
Only god knows where we stuck it
Heirolgphysics let me be specific(pacific?)
I wanna be down in your south seas
But I got this notion that the motion of your ocean
Means small craft advisory
So if I capsize

And devize high tide give me five
You sunk my battle ship
Please turn me on I'm Mr. Coffee with an automatic drip
So show me your's I'll show you mine
Tool Time you'll love it just like lao
And then we'll do it doggie-style
So we can both watch x-files

(3x's)
Do it now
You and me baby ain't nothing but mammals
So let's do it like they do on the discovery channel
