Die Atzen - Jimmy Pop
We'll do it live!
I brought a beat from Berlin
A concussion from the Atzen
There ain't no sitting this one out
So rocking is your option
I know those creeps who make whack beats on their
Laptops are pissed
But you can stop pretending you're too cool to dance to
this
Forget the Amplifiers turn the heat up to eleven

Let the sweet drip as bitches strip and rain panties
from heaven
This Pary's a Toyoto 'cos we don't know when its
stopping
So dance like MC Hammer if he had a drinking problem

Disco Pogo Atzen logo
Atzen style is disco pogo
Disco pogo Atzen sing
Atzen party dangling

(Disco Pogo)

(Disco Pogo)
DISCO POGO, Dingalingaling, Dingalingaling.
EVERYBODY SING'
DISCO POGO, Dingalingaling, Dingalingaling.
EVERYBODY SING'

The season has started the freaky party has begun
freaks are invited
Then now is time to have fun
So put your Hands up in the sky and let the sweat pour
from the ceiling
Party people in the house
Let me know you got that feeling
