The roof, the roof, the roof is on fire  
The roof, the roof, the roof is on fire  
The roof, the roof, the roof is on fire  
We don't need no water, let the motherfucker burn  
Burn motherfucker, burn

Hello, my name is Jimmy Pop and I'm a dumb white guy  
I'm not old or new, but middle school, fifth grade, like  
junior high  
I don't know mofo, if y'all peeps be buggin' givin' props  
to my hoe 'cause she fly  
But I can take the heat 'cause I'm the other white meat  
known as "Kid funky fried"  
Yea, I'm hung like planet Pluto, hard to see with the  
naked eye  
But if I crashed into Uranus, I would stick it where the  
sun don't shine  
'Cause I'm kind of like Hans Solo, always stroking my  
own wookie  
I'm the root of all that's evil, yea, but you can call me  
Cookie

The roof, the roof, the roof is on fire  
The roof, the roof, the roof is on fire  
The roof, the roof, the roof is on fire  
We don't need no water, let the motherfucker burn  
Burn motherfucker, burn

Yo, yo  
This hardcore ghetto gangster image takes a lot of  
practice  
I'm not black like Barry White, no I am white like Frank  
Black is  
So if man is five and the devil is six than that must  
make me seven  
This honkey's gone to heaven  
But if I go to Hell, well then I hope I burn well  
I'll spend my days with J.F.K., Marvin Gaye, Martha Raye  
and Lawrence  
Welk  
And Kurt Cobain, Kojak, Mark Twain and Jimi Hendrix's  
poltergeist

And Webster yea Emmanuel Lewis 'cause he's the  
Antichrist

The roof, the roof, the roof is on fire  
The roof, the roof, the roof is on fire  
The roof, the roof, the roof is on fire  
We don't need no water, let the motherfucker burn  
Burn motherfucker, burn
