Got the mike in my hand but can I make you  
understand?  
That a-hole bands have a-hole fans  
Bloodhound's the name and the gang's to blame  
Like Chan n' Chin the Siamese twins it's one in the  
same  
So fame ain't gonna live forever  
Never worrying about dying cause it can't be any better  
But whatever happens to happen always happens for  
the worst  
And if the worst is yet to happen I hope it happens to  
you first  
So hello Joe, what do you know?  
Heard ya just got back from a Bloodhound show  
Did you do the Batussi or did you do the Hustle?  
Did you do the Flamin' Waffle or the Super Bowl  
Shuffle?  
No matter what you did, you're gonna be abused  
If you were not entertained you did not drink enough  
booze  
If ya get your eyes a fuzzin' then we'll get your ears a  
buzzin'  
'Cause we play around the world, you play around with  
your cousin

Bloodhound boys  
Bloodhound girls  
Bloodhound noise  
Bloodhound world  
Rock on rock on do it dusk til' dawn  
Anywhere we go everywhere we've gone  
Don't matter what state what town what show  
Hell bound Bloodhound going nowhere slow  
Rock on rock on do it dusk til' dawn  
Anywhere we go everywhere we've gone  
Don't matter what state what town what show  
Hell bound Bloodhound going nowhere slow

We rock Philadelphia, Baltimore, Las Vegas,  
Indianapolis  
Louisville, Atlanta, New Orleans and Minneapolis  
Houston, Tucson, Phoenix, Buffalo

Anywhere we go everywhere we've gone  
Don't matter what state what town what show
