Got the mike in my hand but can I make you
understand
That a-hole bands have a-hole fans
Bloodhound's the name and the Gang's to blame
Like Chan n' Chin the Siamese twins it's one in the
same
So fame ain't gonna live forever
Never worrying about dying cause it can't be any better
But whatever happens to happen always happens for
the worst
And if the worst is yet to happen I hope it happens to
you
first
So hello Joe what do you know?
Heard ya just got back from a Bloodhound show
Did you do the Batussi or did you do the Hustle?
Did you do the Flamin' Waffle or the Super Bowl
Shuffle?
No matter what you did you're gonna be amused
If you were not entertained you did not drink enough
booze
If ya get your eyes a'fuzzin' then we'll get your ears
a'buzzin'
Cause we play around the world you play around with
your
cousin
Bloodhound boys
Bloodhound girls
Bloodhound noise
Bloodhound world
Rock on rock on do it dusk til' dawn
Anywhere we go everywhere we've gone
Don't matter what town what state what show
Hell-bound Bloodhound going nowhere slow
We rock Philadelphia Baltimore Las Vegas Indianapolis
Louisville Atlanta New Orleans and Minneapolis
Houston Tucson Phoenix Buffalo
Tulsa Mobile Albuquerque Wichita and Orlando
Portland Salt Lake City Memphis Washington D.C.
Charlotte Oklahoma City Little Rock and Milwuakee
Cleveland Tampa Norfolk Dallas Raleigh Hartford

Cincinnati
Boston Nashville Kansas City Chattanooga and Miami
Honolulu Richmond Austin Pittsburgh San Antonio
Baton Rouge and Anchorage and Birmingham and
Toledo
Denver Detroit Dayton Spokane Fresno
And Jacksonville Columbus Springfield New York
Sacramento
Los Angeles St. Paul St. Louis San Francisco
Madison Knoxville Seattle San Jose and San Diego
Jackson Omaha Des Moines Boise Providence Chicago
But no where in New Jersey that's the only place we
won't go

Bloodhound boys
Bloodhound girls
Bloodhound noise
Bloodhound world
Rock on rock on do it dusk til' dawn
Anywhere we go everywhere we've gone
Don't matter what town what state what show
Hell-bound Bloodhound going nowhere slow
