Nothing heats up my Jacuzzi but like
When there is one found there that's dazzled with
gems,
Brushes ever so gently against some boobs.

I guess it's hard to believe that one man
Could have a pony tail the sensitive end.
Distracted a personal whore that's cornered you,

I know my heised are freakin intense,
But even the words are made up of some French,
Don't express my feelings for your toilet parts.

I will show up for a pottery class,
Dressed like a pirate with a Jomona's moustache,
On a unicorn that shit's your name in stars

Fucking school but gym is a romantic type,
Loitering on cliffs thinking about stuff like,
Screwing you on the beach at night.

Fucking school but gym is a romantic type,
Loitering on cliffs thinking about stuff like,
Screwing you on the beach at night.

One Milkshake,
Two Straws,

Fucking school but gym is a romantic type,
Loitering on cliffs thinking about stuff like,
Screwing you on the beach at night.

Fucking school but gym is a romantic type,
Loitering on cliffs thinking about stuff like,
Screwing you on the beach at night.
