Ha ha, well now, we call this the act of mating  
But there are several other very important differences  
Between human beings and animals that you should  
know about  
I'd appreciate your input

Sweat baby, sweat baby  
Sex is a Texas drought me  
And you do the kind of stuff  
That only Prince would sing about

So put your hands down my pants  
And I'll bet you'll feel nuts  
Yes, I'm Siskel, yes I'm Ebert  
And you're getting two thumbs up

You've had enough of two hand touch  
You want it rough, you're out of bounds  
I want to you smothered, want you covered  
Like my waffle house, hash, browns

Comin' quicker than Fed Ex  
Never reaching apex like Coca Cola stock  
You are inclined to make me rise an hour early  
Just like daylight savings time

You and me baby, ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel  
You and me baby, ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel

Love, the kind you clean up with a mop and bucket  
Like the lost catacombs of Egypt  
Only God knows where we stuck it  
Hieroglyphics

Let me be specific  
I wanna be down in your south seas  
But I got this notion that the motion of your ocean  
Means small craft advisory

So if I capsizes on your thighs, high tide

B 5, you sunk my battleship  
Please turn me on  
I'm Mr.Cofee with an automatic drip

So show me yours, I'll show you mine  
Tool time, you'll love it just like Lyle  
And then we'll do it doggy style  
So we can both watch X-files

You and me baby, ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel  
You and me baby, ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel

You and me baby, ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel  
You and me baby, ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel

You and me baby, ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel  
You and me baby, ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel
