A is for Apple
B is for Balloons
C is for Crayons
D is for Drums

Like my scrotum here it is in a nutshell

One thousand nine hundred and seventy-two
That's the year I got here when my dear mother's water
blew
Not really realizing the prize that's been begot to her
The bona fide lo-fi high-octane philosopher
Genius with a penis the few the proud the me
I liked me so much I had to buy the company
Soul for sale sold to Satan for a hell of a lotta luck
I'm hard to come by like a straight guy working at
Starbucks
Thank the thinkers that think they think the thoughts
that theorized
Idolized or despised bet I'm gettin' recognized
Mount Rushmore it? No ignore it can't rock with no big
head
Half of the people want me half of the people want me
dead
I am the Angel of Death with my rhymes against
humanity
Teeter-tottering between brilliance and insanity
The one part the Fuhrer the one part the Pope
It's the inevitable return baby, of the Great White Dope

Conclusions you drew proportions you blew
Lost son of Iggy? False Bigger nose than Ziggy? True
Yes my name is Jimmy Pop no my pop's name is Dick
Don't admit to kick it slick you thick derelict critic
Put down for missed notes put up with misquotes
Don't want the whole story? Should have bought the
Cliff Notes
Like Fingerpainting 101 give me no credit for having
class
One thumb on the pulse of the nation one thumb in your
girlfriend's ass

Written on written off Scott callin' me a joke
I don't think that I'm a sell-out but I do "Enjoy Coke!"
I struck gold but never took it for granted that's how I
planned it so can it
Around the planet fans demand it and you'll never
understand it
When I die no lie plan on mass pandemonium
They may display my brain in a pickle jar at the
Smithsonian
The one part the Fuhrer the one part the Pope
It's the inevitable return baby of the Great White Dope

One part the Fuhrer one part the Pope
The inevitable return of the Great White Dope
One part the Fuhrer one part the Pope
The inevitable return of the Great White Dope
One part the Fuhrer one part the Pope
The inevitable return of the Great White Dope
One part the Fuhrer one part the Pope
The inevitable return of the Great White Dope
One part the Fuhrer one part the Pope
The inevitable return of the Great White Dope
One part the Fuhrer one part the Pope
The inevitable return of the Great White Dope
