Visit "[The Vagina Song](#)" on MotoLyrics.com

Some of them are hairy, Some of them are bald
Some are kind of scary, And this is what they're called
VagiHaaaina!(vagina)
VagaHoooo!(vagina)
They call that thing..vagina
Some belong to virgins, They're really tight and strong
But big or small i love em'all
That's why i sing my song!
VagiHaaaina!(vagina)
VagaHoooo!(vagina)
They call that thing..vagina
Vagina!
Some of them are smelly, Like clams and fish and such
Some smell like a summer's eve cause they've been
douched too much

VagiHaaaina!(vagina)
VagaHoooo!(vagina)
They call that thing..vagina
VagiHaaaina!(vagina)
VagaHoooo!(vagina)
They call that thing..vagina
Nothing could be finer than to be in a vagina, in the
morning
