dog will hunt I'm the frontend loader
travoltin' over so try my slam on for size
drive stick with that kung fu grip
let the banana split and watch it go right to your thighs
cop a feel copperfield style
abracadabra that bra do you think i can pull it off
wanna bang around
just jot me down on your to do list under put out like a
fire cause

I've got something, and it goes thumping like this
all you need is my unh tiss unh tiss unh tiss
I've got something, and it goes thumping like this
all you need is my unh tiss unh tiss unh tiss

edible strange how do i get in your pants when youre
tick tockin them
serious levis so tight can't be classified
thats why im here to fill that opening
make a season pass to mount that ass
and bob hope that i might one night stand a chance
lets go feng shui the fuck around my digs like a
superball
bring that sunny side up and

I've got something, and it goes thumping like this
all you need is my unh tiss unh tiss unh tiss
I've got something, and it goes thumping like this
all you need is my unh tiss unh tiss unh tiss

I've got something, and it goes thumpin like this
all you need is my unh tiss unh tiss unh tiss
ive got something, and tit goes thumpin like this
all you need is my unh tiss unh tiss unh tiss

I've got something, and it goes thumping like this
all you need is my unh tiss unh tiss unh tiss
I've got something, and it goes thumping like this
all you need is my unh tiss unh tiss unh tiss
