Are those nunchucks in your pants
Or are you just happy to see me?

Let me take you back to the day that I met my China girl
When I landed a 'Pam' like on the San Fran Real World
I was sweating like a vegetable inside of a wok
I'd never been to Asia Minor but I was gonna Bangkok

Like Kristy Yamaguchi I had to break the ice
Should I talk about Mothra M*A*S*H or shrimp-fried
rice?
I was sharp as a Chinese star but it's a line I threw
Just thirty seconds over Tokyo and this Johnny would
Woo

I took a shot like Jeanette Lee put on my moves like
Bruce Lee
I told he every Soon Yi needs a little Woody
She said, "For all the tea in China, my vagina's not free
But my love will linger longer than the Ming Dynasty"

I said I needed her to do and her to do my laundry
I knew she needed a way to stay legally within the
country
She was made in Taiwan, I said I'm okay with that
Just promise me you'll never try to eat my cat

Chinky, chinky, bang bang, I love you
Chinky, chinky, bang bang, I know you love me too

In Japan the hand is used as a knife
In Japan a man's wife's hand job can cost him his life
But now this Captain Kirk has his own Sulu
I'll shampoo her Foo Man Chu with Lo Hung Wang Goo

'Cause I ride my slant-eyed slope like a brand new
Kawasaki
Oh me chinky, she's so kinky, got me hot like Nagasaki
Burning up like napalm bursting like an A-bomb
I think I got that jungle fever but I caught it in 'Nam

She's like an oriental rug 'cause I lay her where I please

Then I blindfold her with dental floss and get down on
her knees
I'm a diving Kamikaze, eating out Chinese
First I'll have the poo-poo platter than some tuna sushi

She'll be screaming like Godzilla and kicking like Jackie
Chan
I'll get her redder than China, wetter than the Sea of
Japan
Like the Chinese New Year she's gonna see fireworks
Now be a good chinky and press Jimmy's shirts

Chinky, chinky, bang bang, I love you
Chinky, chinky, bang bang, I know you love me too
Sing chinky sing
One more time

Chinky, chinky, bang bang, I love you
Chinky, chinky, bang bang, I know you love me too
Chinky, chinky, bang bang, chinky bang
Chinky, chinky, bang biddily biddily biddily bang
