Come with me where the dark dreams speak  
Leave this dying world  
Cold and weak  
Black holes, feeding on souls  
Blinding blackness of misery

[Chorus:]  
Blood full of sin  
A place of torture  
Beneath the skin

Kneading the flesh  
Open the wound  
Bleed out the poison  
The seed is entombed  
Drain your shell of the hell  
Within a numbing death  
Release this breed of insanity

[Chorus]  
[Solo - Danny]  
[Solo - Clint]

The breeders of death  
Calling me  
These dreams of darkness  
Will never set me free  
Called back to host again  
The unborn seeds  
Beneath the skin
