[LIL' STRETCH]

What's that? A little funky shit

Ah, yeah

Oh yeah, check it out

Ah yeah

[LIL' STRETCH]

I'm comin' straight from the Five nigga

A young nigga is ?live? I'm high

Till this present meaning I'm fucked that I showed up

Strapped with the 44, niggas know I got mine

Stretch with a Gauge, Polly-B with the Tec-9

Not to long ago Crabs try to test us

Talkin' that dumb shit tryin' to get the best of us

But when I ain't havin' it

Not takin' that bullshit

Cause you'll get a 44 bullet on your shiznit

It's not first time, won't be the last time

Niggas all on mine cause I'm from the Five-Line

I'm gonna roll cause nigga it's my time

Peace to the homies from the Four and the Duece-Nine

So motherfuckers give me my props

And if you don't

My .9 is gon' pop-pop

Leavin' suckers flat back on their ass, G

It's in hells where I'm livin' if you ask me

I give a fuck my nigga about dissin' them

Cause already I'm a product of the system

[BLOODY MARY]

Bickin' it back being bool

Yeah, that's what my homie said

Rollin' down by the boulevard finna bust a C-K

That's a U-turn now we on Bradfield

Hope you ain't a Crab

That wants to get his cap peeled

Bloody Mary as you know

Is a Blood lover

Cause Crip gangs too busy killin' up each other

Throwin' up the B, C-K

About to bail

Water snakes givin' up this Crabby-ass smell
Really - silly - busta, no jokin'
Play with Piru and get your fuckin' jaw broken
Pump your brakes fool, true flue I ain't havin' it
Look at the true 'Ru sportin' a Bulls jacket
Bloody Mary is on the mic and I'm flamed up
Redrum murder you before you came up
When you see me in red
Tell me: "what's up Blood?"
Don't even trip or slip dumb Crip
For 'Rus I got love

[BLOODY MARY & LIL' STRETCH]

" Hey, hey Stretch, Blood...
C'mon, c'mon to ?Marvins? to put in some work on
these Crabs over here in Piru
Hey, fuck them niggas, what about the Kelly Mark-ass
niggas?
Oh yeah, right
We get their punk-ass too
Yeah, hey baby check this out, you roll
I'm servin' the motherfuckers "

[C-K]

Check this out, Kiki Loco
Bangin' ain't joke so let me laugh
You sounded like a bitch with your non rappin' ass
I saw you wearin that dirty clothes to match your dirty
hood
And fuck that Filthy Bag who claimin' Lynwood
Yeah, Greedy-G
You sounded like a ?? geek
Your sorry mumble mouth motherfucker off-beat
Let me say I wreck shop like cops and wreckin' niggas
up
I'm rubbin' your girl, the pussy is good but she's a fat
slut
Yep, it's all been Harlem, like you said
Yeah, the Brims and the Twenties leave a nigga dead
Wearin them - bhakis red low and burgundy Chucks
And if I catch you slippin' in my hood wearin' flue you
gettin' fucked up
By your true 'Ru nigga named C-K
Rick' get back, Rick' get ruled every single week day
And I can't stand Rickets 'cause they're scary
They could take a hairy dick and lick Bloody Mary

[RED RAG]

The Penalty for killin I'll pay the cost
I'ma ride C-K till the wheels fall off
You 'Hard Time Bustas' what the fuckin' you work?

Niggas call you 'Nappy Heads' while I zip on my
sweatshirt
I got .9 holes to lay 'Tramps' on my sacks
I play the 'Cheese Toast', 'Bubble Gum' in my backpack
Ain't no way out when your casket is closed
You're gettin' rolled on by a Crenshaw Mafioso
I hate to being bothered cause you ?snitchin' for deep?
Ripping 'Snot Guns' in half cause I got big beef
Keep ridin' and duckin' and hidin' from the Four
Down to, down to, down to catch hoe
When I catch you slippin' here's your reminder
Red Rag is a C-K Rider
