[YOUNG MALCOLM]

I wish you were here

How I wish you were here

[CIXX PAC]

Too many deaths in the family, everybody around me

They droppin like flies and is makin' me crazy

Another year, another one passed

Mourn a brother seem you locked up and dead in that
bodybag

But now he gone to a better place

But then we won't never be the same if you ain't
standin' face to face

Everybody shed a tear when they go down

But loc as you reminiscin' you know they still around

So drop your head to the church song

And for that one that can you take it for them, gotta
stay strong

Some callin' a miracle, some callin' a blessing

Call it what you want but the homie still left me

And now we're going to ?? of bud

Don't go them Gates in wait so that it mean they show
you love

I reminisce so I shed a tear

Shouts out to Tiny Half Dead wishing you was here

[YOUNG MALCOLM]

I wish you were here (I wish you were here)

How I wish you were here (I wish you were here)

[BIG FREEZE]

Memories of many homies left dead in the streets

Of casualties, all my homies caught without they heat

Fatalities left my young partner dead in the casket

The first shout pop, drop my loc when they blasted

Then I'm right out to these days I still hearse

So when I reminisce on Tiny Half

I put it in work

And living on the memory of the dead trick

And I'll be scopin' like a shark shooter with the 30 ?? 6

Hennessy keeps my mind kinda glossy

I choke one of that indo smoke

Man, I miss my loc

In lovin' memory of Tiny Half

My homie Rock T

My young player partner Thai Tsu

Death for death I love y'all Cuz

Big Freeze and I'm out

[YOUNG MALCOLM]

I wish you were here (I wish you were here)

How I wish you were here (I wish you were here)

[LIL' HAWK]

Back Down Mafia Lane

It's the YGB Little Hawk to representin' CMG

To the day that I die like my homies did

Like we promised too

Ever since we was kids

I'ma ride for this

I will die for this

I gotta tear on my eyes cause I even cry for this

Ride, slide thru the West Side

Thinkin' to myself will I live or will I die?

Cause this gangbangin' drama have to be taken for no
joke and

I'm hopin' that you hear me Blood you hear-hear to
