[Music and text by MÃ|rtifico]

Gathered in their convent praying for their God  
So called protected from an evil force  
I entered their temple, hacking the first two sisters  
Dismembered and scattered, their blood splattered on  
the cross

Skinned and disembowelled, Nuns were gutting in the  
wall  
The ribcage extracted, spine and cranium unleashed  
from corpse

I trapped in a room, a young beautiful nun  
I couldn't resist, I had to rape her body  
Penetrated with violence, the pleasure of flesh she  
must know  
Kneading her big breasts, my fingers possessed her  
secret orifices

She was flooded with my sperm running in her sores  
Moaning and crying by orgasm and sufferings  
I smashed her skull disfiguring this beauty  
Then I fucked her once again...

I sucked in Blood of the sisters from their (raped)  
pussy  
Drinking their bile, gnawing their bones as they went  
mouldy

Half split corpses lay among shreds of skin  
The heads of the sisters rotted in rancidity  
I wandered in this Hell,  
As the lambs bled

I sucked in Blood of the sisters from their (raped)  
pussy  
Drinking their bile, gnawing their bones as they went  
mouldy

An Orgy with the dead sisters in diabolical  
necroorgasm

Desecrating the Holiness, as the lambs bled

Saints have been mangled, sodomised with crucifix  
Abandoned to insects, absurd fate in blasphemy
