I am who I am - Drug Driven Insane  
I will always be - Drug Driven Insane  
I will never change - Drug Driven Insane  
I was born this way  
I don't want more I fucking need more  
Do you know where I can score  
You take 1 and I'll take 2 or 3  
They don't call me chronica for nothing  
Joint in my mouth  
Booze in my blood  
Looks like I'm getting fucked up  
This is the way I live my life  
This is the way I want to be  
This is the way I live my life  
This is the way I'll die  
If you don't like what you see  
Then don't fucking look  
I'm not about to change  
My ways for anyone  
I'll smoke till I drop  
And drink till I'm gone  
No one will ever make me stop  
This is my life I do what I want  
Never look behind caught up in the past  
With a new day comes a new buzz  
Looks like I'm getting fucked up  
Drank over my limit  
Smoking more than a bit  
Snorted more than a sniff  
Now I'm ready to trip  
I am so fucking high  
I'm so alive  
Come on give it a try
