She eats me up alive,
A category five,
She's like a hurricane.
She don't come with no directions,
She keeps me guessing and it hurts my brain.

She can do what she wants with me,
I'm a willing casualty...

She got angel eyes,
I can't deny.
Look what God created,
She leaves me devastated.
She loves me blind,
It should be a crime,
She knows how to play me,
She leaves me devastated.

Oh, oh, oh, oh-oh. (She leaves me devastated.)
Oh, oh, oh, oh-oh.

I can't refuse her anything,
She got that something you just dream about.
That girl gonna be my woman,
What's she's doing, I can't live without.

She can do what she wants with me,
I'm a willing casualty...

She got angel eyes,
I can't deny.
Look what God created,

She leaves me devastated.
She loves me blind,
It should be a crime,
She knows how to play me,
She leaves me devastated.

Oh, oh, oh, oh-oh. (She leaves me devastated)
Oh, oh, oh, oh-oh.

I don't know why she loves me,
I don't care.
Because we've got something going,
Something going on, (Going on)
Don't try to save me,
'Cause I'm too far, too far gone.

She got angel eyes,
I can't deny.
Look what God created,
She leaves me devastated.
She loves me blind,
It should be a crime,
She knows how to play me,
She leaves me devastated.

Oh, oh, oh, oh-oh.
She leaves me devastated...
Oh, oh, oh, oh-oh.
Those angel eyes...
Oh, oh, oh, oh-oh.
She leaves me, she leaves me, she leaves me, she
leaves me,
Devastated!
