Girl, I can't believe you got me hanging by a thread,
Everytime you need me you're just messing with my
head
Well if you love then you love me, baby, let me know,
And if you don't, why don't you leave me, baby let me
go
You twist me inside out
But girl you know I feel like I've been waiting for a
lifetime
For you to come around

Do you love me baby?
Cause I'm going crazy
Let me know girl if you feel me breaking down
If you want me tonight,
I'll be right by your side,
And if you don't then I'll be leaving
Right now

How am I supposed to know what's going through your
mind?
Girl you know I wish that we could stop this and rewind
If you want me then you'll be there every second and
and you never thought that I would ever be your man
Now the table's turnin' upside down down down
But don't ya know I feel like I've been waiting for a
lifetime

For you to come around?

Do you love me baby?
Cause I'm going crazy
Let me know girl if you feel me breaking down
If you want me tonight,
I'll be right by your side,
And if you don't then I'll be leaving
Right now
Do you love me? (And if you don't then baby let me go)

I'm tired of waiting
While you're hesitating
It's taking a toll on me

Girl, make up your mind

Do you love me baby?
Cause I'm going crazy
Let me know girl if you feel me breaking down
If you want me tonight,
I'll be right by your side,
And if you don't then I'll be leaving
Right now

Do you love me baby, (Do you love me?)
Cause I'm going crazy
Let me know girl if you feel me breaking down
If you want me tonight,
I'll be right by your side,
And if you don't then I'll be leaving
Right now
