she's got a thing for attention
i gotta say, this girl can dance
she hit the floor with a mission
to hypnotize, and mesmerize
she got me
ooh i think i'm in love the more i watch her dance
it's like im taking some drugs
its like im in a trance girl
you really know how to work, work
hey
watch her body (move)
watch her body (move)
watch her body (move)
watch it (move)
watch it (move)
watch her body (move)
watch her body (move)
watch her body (move)
watch it (move)
watch it (move)
i'm loving her body, lovin the way it moves
i'm loving her body, lovin the way it moves
i'm loving her body, lovin the way it moves
im loving her body, body, body, body
your so amazing
i hope the lights never come on (never come on)
im now your personal stalker (stalker)
wont stop (wont stop) until you know (until you know)

ooh i think i'm in love the more i watch her dance
it's like im taking some drugs
its like im in a trans girl
you really know how to work, work
hey
watch her body (move)
watch her body (move)
watch her body (move)
watch it (move)
watch it (move)
watch her body (move)
