I say Blue? you say what
Blue ? what ? Blue ? what

I say Blue? you say what
Blue ? what ? Blue ? what

If you think I got it all
By the way that I'm living
Fast money on a roll,
Then I think you be mistaken
If you think I have enough
Got more that I'm needing.
It's not like that at all.
You don't have to believe me.

If I'm not what you're looking for
Please tell me and I will go
I'm not gonna waste your time
Please tell me if you wanna be mine

Got a shelf full of books ? so?
Got a room full of clothes ? so?
Got a house that I stay ? so?
I ain't got you.

Got a box full of shoes ? so?
Got a brand new phone ? so?
Got the studio booked ? so?
I ain't got you

Now you know what I'm about
And the streets that I come from
Unreasonable doubt.
Don't tell me that you have none.

On top of the world.
Like nothing's missing.
Never thought I needed a girl.
But then I found myself wishing.

If I'm not what you're looking for

Please tell me and I will go
I'm not gonna waste your time
Please tell me if you wanna be mine

Got a shelf full of books ? so?
Got a room full of clothes ? so?
Got a house that I stay ? so?
I ain't got you.

Got a box full of shoes ? so?
Got a brand new phone ? so?
Got the studio booked ? so?
I ain't got you

I say Blue? you say what
Blue ? what ? Blue ? what

I try every single day too
Get by every night I pray too
Survive everything I say and do

Got a shelf full of books ? so?
Got a room full of clothes ? so?
Got a house that I stay ? so?
I ain't got you.

Got a box full of shoes ? so?
Got a brand new phone ? so?
Got the studio booked ? so?
I ain't got you

I say Blue? you say what
Blue ? what ? Blue ? what
