You know you make me wanna.  
You know you make me wanna.

To start it off I know you know me  
To come to think of it, it was only last week.  
That I had a dream about us, oh.  
That's why I am here, I'm writing this song.  
To tell the truth you know I have been hurting all along,  
Someway let me know, you want me girl.

Everytime you see me what do you see?  
I feel like I'm a poor man and you're the queen.  
Oh baby, you're the only thing that I really need.  
Baby that's why:

You make me wanna call you in the middle of the night.  
You make me wanna hold you till the morning light.  
You make me wanna love, you make me wanna fall.  
You make me wanna surrender my soul.  
I know this is a feeling that I just can't fight.  
You're the first and last thing on my mind.  
You make me wanna love, you make me wanna fall.  
You make me wanna surrender my soul.

It's been hard wakin' up, wakin' up to the truth  
I've been so blind, couldn't see for love no.  
Tried my best to ignore it, wish the pain away  
But just like tomorrow, it's coming round again.

So darling, please don't treat me like a fool.  
Its been hard enough for me, getting over you  
Darling please don't treat me like like you do  
I'll be damned if I am gonna let ya  
Damned if I don't forget ya  
So please don't treat me - like a fool.

Yo  
C'mon C'mon  
That's right  
C'mon C'mon  
Check this out

I'm not the kind of guy you can take for granted  
But if you treat me right  
I'll give you what you wanted  
It's not the way I am to tell you what I'm feeling  
But if you really care  
You'll know what I'm meaning.

Think again, before you get the wrong impression on  
your mind,  
Think again, don't walk away, I'm not fooling (I'm not  
fooling).

If you wanna get down with me,  
Let the love come naturally,  
We can get back what we had you cannot deny it.  
Say you wanna get down with me,  
Close your eyes and you will see,  
It can be just like before you just got to try it.

I never had anybody treat me quite like you do  
I love your honesty  
We met, we clicked, we shared a vibe that was true  
And it was plain to see, it was plain to see.  
Oh yeh

I did not want to face the truth  
You said you had a man  
And you were so in love with him and nobody else

What do you do when someone don't love you  
They show you all their feelings like you're a friend  
Like you're a friend

But I know I can't have you  
And I can't live without you  
But I guess I can't have it my way  
For the lovin' you're not feeling  
My heart is still breathing  
Girl how can you treat me this way?

What do you do when someone don't love you  
They show you all their feelings like you're a friend  
Like you're a friend
