Yo, check it out  
First verse, drop it  
Lord knows I'm gonna make it.  
To brighter days I'm on my way.  
I dreamed before and saw the way that I was  
misbehaving.  
Now I'm standing face to face.  
To my reflection I can't see it.  
My vision's blinded by the pain.  
( 'Cause that's how I feel)  
My mirror's broken.  
I've been cursed with seven years of bad luck.  
Will the sorrow ever change.  
Chorus  
So now my soul's in debt.  
I must regret.  
I die and live another lonely day.  
Tell me how a man's supposed to change.  
So now my souls in debt.  
I must regret.  
I die and live another lonely day.  
Tell me how a man's supposed to change.  
How's a man supposed to change?  
Tell me  
My fear is growing old unhappy.  
Without my loved ones next to me.  
Ink on my skin has nearly faded.  
Incarcerated for my sins.  
To my reflection I can't see it.  
My vision's blinded by the pain. (by the pain y'all)  
My mirror's broken.  
I've been cursed with seven years of bad luck.  
Will the sorrow ever change.  
That's right, by the pain  
Chorus  
So now my soul's in debt.  
I must regret.  
I die and live another lonely day.  
Tell me how a man's supposed to change.  
So now my soul's in debt (soul's in debt)  
I must regret.

I die and live another lonely day.  
Tell me how a man's supposed to change  
Blue, sing  
How a man's supposed to change  
How am I supposed to change  
Blue  
So now my souls in debt.  
I must regret.  
I die and live another lonely day.  
Tell me how a man's supposed to change  
So now my soul's in debt.  
I must regret.  
I die and live another lonely day.  
Tell me how a man's supposed to change  
How's a man supposed to change y'all?  
Tell me how a man's supposed to change  
Tell me how a man's supposed to change  
Tell me how a man's supposed to change  
So now my soul's in debt.  
I must regret.  
I die and live another lonely day.  
Tel me how a man's supposed to change  
So now my soul's in debt.  
I must regret.  
I die and live another lonely day.
