You think i'm just coming on to you
I know exactly what i got to do
Your eyes kinda give the game away I know exactly
what your trying to say

But i'm not gonna give up
I'll prove to you i'm good enough
Just take your chance, I'll show you love
Put your trust in me girl, I'm not like the other guys
Won't break your heart and tell you lies
Before you start to criticise put you trust in me girl.

If It takes all night
Gonna give my love to you, gonna get it right if it takes
all night
If it takes all night
Gonna give it up to you, gonna get it right if it takes all
night

I know all about the other kind
One thing playing on a one track mind
You'll see it's not the way it has to be
If you'll only give your love to me

But i'm not gonna give up
I'll prove to you i'm good enough
Just take your chance, I'll show you love
Put your trust in me girl, I'm not like the other guys
Won't break your heart and tell you lies
Before you start to criticise put you trust in me girl.

If It takes all night
Gonna give my love to you, gonna get it right if it takes
all night
If it takes up night
Gonna give it all to you, gonna get it right if it takes all
night

Watching and waiting just anticipating
The moment you come in my life
Hoping and praying you hear what i'm saying tonight,

oh tonight

If It takes all night
Gonna give my love to you, gonna get it right if it takes
all night
If it takes all night
Gonna give it up to you,

If It takes all night
Gonna give my love to you, gonna get it right if it takes
all night
If it takes all night
Gonna give it up to you,

If It takes all night
Gonna give my love to you, gonna get it right if it takes
all night
If it takes all night
Gonna give it up to you, gonna get it right if it takes all
night

If It takes all night
Gonna give my love to you,
