lead me lord
lead me by the hand and
help me face the rising sun
comfort me through all the
pain and life may bring
there's no other hope that
i can lean upon
lead me lord
lead me all my life

walk by me
walk by me across the
lonely roads that i may face
take my arms and let
your hand show me the way
show the way to live inside your heart
all my days
all my life

you are my light
your the lamp upon my feet
all the time my lord i need you there
you are my light
i cannot live alone
let me stay by your guiding love
all through my life
lead me lord

lead me lord
even though at times i'd rather go along my way
give me take the right direction
take your road
lead me lord and never leave my side
all my days
all my life

you are my light
your the lamp upon my feet
all the time my lord i need you there
you are my light
i cannot live alone let me stay

by you guiding love all through my life

you are my light
your the lamp upon my feet
all the time my lord i need you there
you are my light
i just cannot live alone
let me stay by your guiding love
all through my life
all through my days
oh lead me oh lord
lead me
