Ryan

When I'm with you girl

I'm down with anything

I likke the things that we do if you know what I mean

The way you turn me on til the morn

Jaime (mmmm I like the way your making me hot)

Ryan

When we're all alone we can make it right

It's like that every day and every night

You touched my heart, my body and soul

Jaime (mm I like it when I can't get enough)

Bridge - Marvin
