Dime de dÃ³nde vienes
What you say?
Â¿Eres de aquÃ?
I don't understand
Me gusta tu estilo
Â¿Sabes lo que te digo?
What am i supposed to do,
Just look at you?
The situation like this

Ever since I saw you standing there
I couldn't get you outta my mind
So I thought I'd come and talk to you
But you couldn't understand my lines
Girl it's like in our chemistry
There was something that gave me the sign
From the moment that I saw your spanish eyes

Couldn't figure out a word she was saying
But I could see you were looking amazing
Give me some help I need the translation
What does te quiero really mean? Tell me

SeÃ±orita, chica bonita are the only words I know
I wish that I could hold you and dame un beso
I wanna take you home
Cos I really really like your style
I can see you wanna get buck wild
SeÃ±orita, chica bonita are the only words
The only words I know
Chico bonito me atraes

Now the situation stresses me
Cos I know what I've got in my hand
There's a millions things I wanna say
Like I really wanna be your man
Anticipation stresses me
Coz I'm trying to get through to you
Body language is the only thing to use

Couldn't figure out a word she was saying

But I could see you were looking amazing
Give me some help I need the translation
What does te quiero really mean?

Tell me

(Chorus)

Her body's calling
And I think I'm Falling
But I can't understand what she says
Chico bonito me atraes
Dime de dónde vienes
¿Eres de aquí?
Me gusta tu estilo
¿Sabes lo que te digo?
What does te quiero really mean?
