[VERSE 1:]

What's done in the dark comes to light, for sho  
So the thing you did with her, I was gonna know  
You impressin these girls, showin' off your flow  
But I got my own bank, so I'm out the door (oh oh)  
You callin' me sayin' baby please  
don't believe those lies  
Crawlin' on your knees  
You're the only liar in the midst of me  
You're a first bag, so just get away from me (ee ee)

[B-SECTION:]

What you do will always come back to you  
I'm tired of playin' games with you  
I'm really not feelin' you and  
What you say don't mean a damn thing to me  
Tried to make a fool out of me  
It's all just history

[HOOK (3X):]

You make me wanna shout  
Make me wanna scream  
Make me loose my cool

But I'm gonna throw my hands up

[VERSE 2:]

Day after day you're telling me your story

Saying your girlfriend just lying on me

You say they just want what you got

Wanting your post, boy I think not

Man you think you're so hot

You're the victim or so you say

I guess they're throwing their drawers

and bras your way

I guess those condoms weren't yours

belong to your boys, call me deaf' cause

I'm not hearing that noise

[B-SECTION:]

What you do will always come back to you

I'm tired of playin' games with you

I'm really not feelin' you and

What you say don't mean a damn thing to me

Tried to make a fool out of me

It's all just history

[HOOK (3X):]

You make me wanna shout

Make me wanna scream

Make me loose my cool

But I'm gonna throw my hands up

[BREAKDOWN]

[IAN LEWIS (RAP):]

Yes!

Chicka-bow Chicka-bow

chicka bow wow wow

Blu Cantrell is hot, hot

Redzone on fire!

[HOOK TO FADE]
