She's her mama's baby  
She's her daddy's pride and joy  
They've kept her under wrap  
She ain't been hangin' out  
With any ugly boy

Hardly ever been kissed  
Twenty years of innocence  
Just what I'm lookin' for  
I wanna be the man that's holdin' her hand  
When she can't hold it back anymore

Good little girls makes some mighty wild women  
Savin' it up since the, very beginin'  
When they fall in love they wanna take it to the limit  
Good little girls makes some mighty wild women

She's never been to Vegas  
Or danced in a honky tonk  
No trail of broken hearts  
Although she looks the part  
That ain't the kinda life she wants

She's waitin' on a gold ring  
Before she tries her wings  
That's what I'm waiting for  
I wanna be the man, that's  
Holdin' her hand, when she  
Can't hold it back anymore

Good little girls makes some mighty wild women,  
Savin' it up since the, very beginin'  
When they fall in love they wanna take it to the limit  
Good little girls makes some mighty wild women

Good little girls makes some mighty wild women  
Savin' it up since the, very beginin'  
When they fall in love they wanna take it to the limit  
Good little girls makes some mighty wild women

Savin' it up since the, very beginin'  
When they fall in love they wanna take it to the limit

Good little girls makes some mighty wild women

Good little girls makes some mighty wild women

Good little girls
