She's a devil in disguise you can see it in her eyes
She's telling dirty lies she's a devil in disguise in
disguise
Now a woman like that all she does is hate you
She doesn't know what makes a man a man
She'll talk about the times that she's been with you
She'll speak your name to everyone she can
She's a devil in disguise you can see it in her eyes
She's telling dirty lies she's a devil in disguise in
disguise

Unhappiness has been her close companion
Her world is full of jealousy and doubt
It gets her off to see a person crying
She's just the kind that you can do without
She's a devil in disguise you can see it in her eyes
She's telling dirty lies she's a devil in disguise in
disguise

Her number always turns up in your pocket
Whenever you are looking for a dime
It's all right to call her but I'll bet you
The moon is full and you're just wasting time
She's a devil in disguise you can see it in her eyes
She's telling dirty lies she's a devil in disguise in
disguise
