Well i'm fishin'
Fishin when the sun goes down
Still fishin'
Fishin when the sun goes down
I'll be sitting here fishin
Till that fish come around
I lost my baby
Lost her to a hunting man
I lost my baby
Lost her to a hunting man
He brought her fishes in the evening
But she did not understand
Well i'm fishin
Fishin for a brand new girl
Still fishin
Fishin for a brand new girl
I'm gonna bait my hook up double
Catch the best in the world
I'm gonna bait my hook up double
Catch the best in the world
