Half of my mistakes I made stone cold sober
Half of my mistakes I made at closing time
Half the time I never saw it coming till it was over
Half of my mistakes I made with love on the line

Half of my mistakes I swear I should've known better
Half of my mistakes were made just among friends
You get a little distance on it, truth gets clearer
Half of my mistakes, hell i'd probably make 'em again

CHORUS

If I had it all to do over, I'm sure i'd win and lose just as much
But I'd spend a lot less time on right and wrong
And a lot more time on love

Half of my mistakes I made cause I was moving too quickly
Half of them were made cause my heart moved too slow
Nobody can tell you a damn thing if you ain't listening
Half of my mistakes I made because I couldn't let go

CHORUS TWICE

Half of my mistakes I'd give anything to change how it ended
Half of my mistakes, God I wouldn't change a single thing
You can lean to hard on regret, but I don't recommend it
Cause half the good things in my life came from half of my mistakes
Cause half the good things in my life came from half of my mistakes

Half of my mistakes, Half of my mistakes, Half of my mistakes
Half of my mistakes, Half of my mistakes, Half of my mistakes
