She got everything she needs, she's an artist, she
don't look back
She got everything she needs, she's an artist, she
don't look back
She can take the dark out of the night time
Paint the daytime black

She never stumbles, she's got no place to fall
She never stumbles, she's got no place to fall
She's nobody's child, Lord can't touch her at all

She wears an egyptian red ring, sparkles before she
speaks
She wears an egyptian red ring, sparkles before she
speaks
She's a hypnotist collector, you are a walking antique

You will start out standing, proud to steal her anything
she sees
You will start out standing, proud to steal her anything
she sees
You'll wind up looking through her keyhole down upon
your knees

Bow down to her on sunday, salute her when her
birthday comes
Bow down to her on sunday, salute her when her
birthday comes
For halloween give her a trumpet, for christmas, give
her a drum
